

TRUST THE EXPERTS

CERTIFIED COLLISION REPAIR NETWORK INFINITI

You have the right to choose where and how your vehicle is repaired. Only INFINITI Certified Collision Repair Centres have been validated and approved by INFINITI to have the tools, training and knowledge to repair your vehicle. For a timely, high-quality repair, we recommend choosing an INFINITI Certified Collision Repair Centre.

SOPHISTICATED TECHNOLOGIES REQUIRE SKILLED REPAIRS

INFINITI's safety and Driver-Assist Technologies rely on sophisticated sensors, radars and cameras located throughout the vehicle.

It's imperative your vehicle is repaired and recalibrated to manufacturer specifications by skilled and trained professionals after a collision.

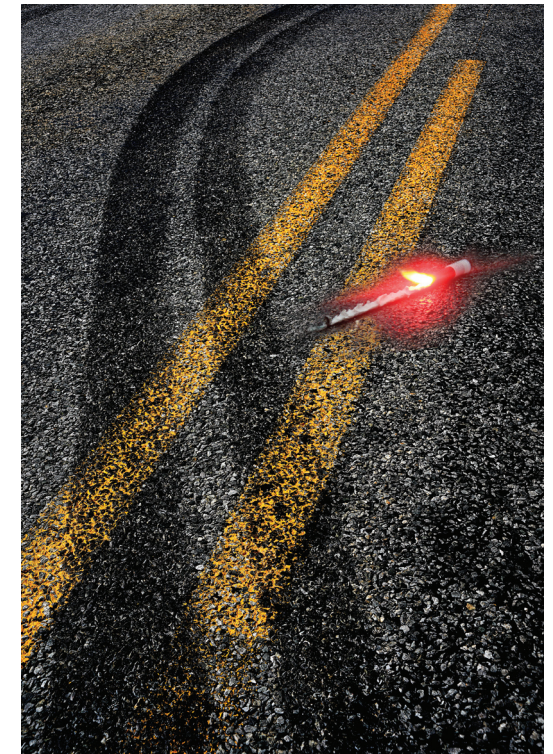

CHOOSE THE RIGHT PARTS

To help keep your INFINITI performing as designed, insist on new Genuine INFINITI Parts from the body shop you choose and from your insurance company. Only Genuine INFINITI Parts are specifically designed and engineered to integrate with INFINITI's sophisticated performance and safety systems and meet INFINITI's stringent requirements for fit, finish, structural integrity and corrosion protection.
